Milwaukee Commencement Ceremony Honors More Than 250 University of Phoenix Graduates

WHAT: On Saturday, May 4, University of Phoenix® Milwaukee Campus will honor more than 250 local graduates during a commencement ceremony at the U.S. Cellular Arena in Milwaukee.

Successful businesswoman and 2008 University of Phoenix alumna Rebecca Scarberry will address graduates. The visionary behind Becky's Blissful Bakery, Scarberry credits her education with giving her the skills that prepared her for the challenges she faced starting a business. Scarberry's business now operates out of 17 states and has more than 100 locations across the U.S.

"For two years I worked with a great group of students and teachers. I am lucky to have gained lifelong friends and my education. The experience and education I received afforded me the ability to create my own path for success."

Graduates will earn degrees in a host of disciplines including:

- Business and Management
- Criminal Justice and Security
- Education
- Nursing and Health Care

WHEN: Saturday, May 4, 2013
11:00 a.m.

WHERE: U.S. Cellular Arena
400 W. Kilbourn Ave.
Milwaukee, WI 53200

WHO: University of Phoenix Milwaukee Campus faculty members and graduates will be available to discuss the importance of continuing education and the value their degrees will provide for their career plans.

WHY:

“University of Phoenix was founded and designed for the working adult and understands that its students need an education for the real world – with classes that meet the needs of working students with family and job responsibilities,” said Kathy Gamboa, University of Phoenix North District vice president. “ Every student walking in our commencement ceremony has succeeded because of hard work and determination. It is an honor to celebrate the award of their hard-earned and well-deserved degrees.”

About University of Phoenix

University of Phoenix is constantly innovating to help students balance education and life in a rapidly changing world. Flexible schedules, challenging courses and interactive learning can help students pursue personal and career aspirations without putting their lives on hold. University of Phoenix serves a diverse student population, offering associate, bachelor’s, master’s and doctoral degree programs from campuses and learning centers across the U.S. as well as online throughout the world.
